Contestants in this year's Maid of Albany competition were dinner guests of the Albany Jaycees last week, and received several lovely gifts for their participation in the contest.

Don Vorhees, manager of Golden Gate Fields, was also an honored guest, and during the evening's festivities invited the Jaycees to hold next year's competition at the track. He also recommended a committee be formed soon to make plans for an even bigger and better event for 1973. It's really nice to have such beautiful facilities available for this annual event.

Sixteen people participated in a recent local cribbage tournament—and for the first time in local history, one entrant was a woman! Guess who the winner was—Donna Sagers, who won out over such card champs as Mickey Dillingoff, Wayne DeTar and Russ Young. For some reason, the fellows have quit bragging about what good card players they are or used to be.

Albany Firemen Still Students

According to Capt. Tom Oakley, Albany Fire Dept. Training Officer, members of the Department are attending more and more college courses than ever before, keeping abreast of the needs to handle new types of materials, chemicals and construction in our ever changing society.

Not only does the fireman spend hour upon hour drilling and training at what he must know and do, he also puts in many more hours of schooling in other fire-related subjects.

This last semester, over 1,000 hours and 50 college units were amassed in Fire Science courses, by 17 members of the Albany Fire Dept. They received these units from both Diablo Valley and Chabot colleges.

Courses taken by the firemen included: Fire Dept. Administration, Fire Prevention, Tactics and Strategy, First Aid (instructor), Humanities, Apparatus and Equipment.

Benefit Art Expo

An Art Expo and Auction, open to the public, will be held Sunday, Feb. 27, at the Berkeley House Motor Hotel, 920 University Ave., Berkeley. The exhibition and preview will be held at 1 p.m., and the bidding will start at 2.

The collection consists of original oil paintings and water colors, by artists from all parts of the world, plus an enriching selection of original lithographs, woodcuts and etchings of limited editions, signed and numbered by the world's most renowned artists. Each work of art is beautifully framed and ready for hanging.

This fund-raising event is for the benefit of the Committee of Responsibility—the group which brings war-injured Vietnamese children to the United States for medical treatment.

Since 1966, 85 children have been rehabilitated, and most of them are now back in Vietnam, living in COR's Children's Shelter, which is supported and maintained by voluntary contributions from the public.

Members of the Albany Homeowners and Taxpayers Association are distributing information they have received from the office of Senator Nicholas Petris, concerning highlights of the Gonsalves-Deukmejian-Petris Senior Citizens Property Tax Relief Act, which has been amended to expand the benefits for individuals who file claims for 1972 and subsequent years.

Eligible individuals may receive a refund of up to 96 percent of the property taxes levied and paid on the home they own and occupy; and qualified individuals may file each year and receive the refund.

To qualify, an individual must meet each of the following requirements in the year he files:

1) Must be 62 years of age or older as of January 1.

2) Must be a resident of California on or before January 1.

3) Must have owned and occupied his home between July 1 and June 30 of the current fiscal year, and

4) Must have household income not in excess of $10,000 for the previous calendar year (January 1 to December 31).

Household income means cash received from most all sources, including Social Security, railroad retirement, gross amounts received from pension and annuities, net rental income, net business income, interest, dividends, wages, disability pensions, life insurance proceeds, death benefits, gifts, and realized capital gains. The income of all related individuals living in the home must be included; however, only one member of each household may file a claim.

Albany School Volunteers News

By Anita Tronoff

Kids!

What s the matter witn these kids today? Well, I'll tell you.

The Albany School Volunteers include a group of high school students engaged in a tutoring program, and I think you should know about the dedicated students working at MacGregor Primary School. Mrs. Annette Allen, teacher counselor, and Mrs. Dorothy Irvin, principal, are to be congratulated for the success of this program.

The students provide assistance to pupils on a one-to-one basis and sometimes in small groups. For instance, they explain math concepts not understood at "first telling" as well as provide assistance in the remedial math area. They provide help to teachers in many other ways also as needed. Their work benefits the primary-age child and the teacher as well as the student himself.

Here are some of the enthusiastic comments from the students themselves:

"I think it's really a great experience working with the kids! It really gives me a good feeling when they tell me I've helped them with something," Kim Fletcher, tutor.

"I'm learning about the kids and I hope they're learning from me. I'm having lots of fun working with kids this age," Doug Parker, tutor.

"Tutoring is great! It is a lot of fun and very worthwhile," Linda Berry, tutor.

"I think what I'm doing is very important. Not to me but to the children I help. It helps me to understand how much school has changed since I was in primary school. I hope I can do it next year," Robert Gallagher, tutor.

"I really love helping the kids. On the minimum day I couldn't wait until 7th, because I would be able to help all the class instead of just the 10-o'clockers. I really think it is a good experience for me and the kids," Sherry Morley, tutor.

"I really enjoy working with the kids. I learned how to handle the kids and how to work with them. It is a lot of fun to work with lots of kids," Patricia Nielsen, tutor.

"I think I like tutoring because I think if you start helping kids now they won't grow up like a lot of people are now—kind of messed up," Lewis Young, tutor.

" I like working with the kids —it is exciting and I really enjoy it. I hope to tutor next year," Rhonda Greilich, tutor.

"Working in the kindergarten was amazingly rewarding. Much more so than I expected. I only wish I could tutor next year. I can't as I have necessary classes. I really am astounded at how much the kids have developed personalities," Maya Amis, tutor.

The School Volunteers Committee dream is to expand the program at the high school next fall during the critical period of relocation of children and change in scheduling due to the present building problems.

ANTIFREEZE SALES

Antifreeze sales in the United States, reports the National Automobile Club, totaled 164 million gallons in 1969.

Imperial Valley, California, is reported by National Automobile Club to be the largest cantaloupe-raising district in the world.

Have You Heard?

(Continued from Page 1)

A 10-year-old fifth grader from Cornell School was the top candy salesman in the recent Campfire candy and nut sale. Vicki Ferris, who was also top salesman last year, sold 271 boxes of candies and nuts. She was such a dedicated salesman that she even took her wares with her when she went away for the weekend, just in case she might find someone with a sweet tooth and the money to satisfy it.

Albany has been saddened lately by the deaths of a great number of residents, including that of "Little Johnnie" Cravotto, who celebrated his 73rd birthday just a week before his unexpected death. Johnnie was a great little guy, and will be sadly missed by his many, many friends, who just expected him to be here forever.

* * *

A beautiful memorial service was held recently at the Albany Methodist Church, for long-time Albany resident, Cliff Lockhart.

Cliff will be remembered by many as the genial manager of the Albany Safeway Stores, first at the one formerly located on San Pablo Avenue, in the building now occupied by Kue and Kushion Billiards, and the other at Santa Fe and Solano, where the ARCO service station now stands. Others will remember Mr. Lockhart as a long-time member of the Albany School Board, and a very active member in community affairs.

The services were conducted by Pastor Ronald A. Greilich. He was assisted by Rev. Hartzell Buckner, a long-time friend of Mr. Lockhart's and the one who introduced Cliff to his wife, Evelyn.

The Del Wisenors have acquired a dog, since the last visit from son "Buster" and family, and the dog is a male. Because Buster has a female dog and was planning on staying with Del and Theresa upon his discharge from the Air Force, everyone was a little worried about having the two dogs together in the house. However, since Buster's arrival everyone found they were worried over nothing . . . Del's dog is a toy poodle, and Buster's is a sheep dog!

* * *

And more about the Wisenor's —as everyone knows, Del has been with Albany Little League ever since it was formed, but has never had a son to play in the League. However, with the arrival of Buster's family, Del will finally have someone in local baseball—even if it is granddaughter Collette, who can't wait to sign up for Don Dupin's Softball League for girls. She will be lucky in having her grandpa, probably one of the best coaches in town, to give her pointers.

* * *

According to Fern Luoma, the younger Little League members are the most enthusiastic about the LL Youth Fund-Raising Drive. Some of the youngest members are collecting the most donations, and to date Robbie Epling has collected the most, and there isn't even a prize involved. The kid is just enthusiastic about Little League baseball.

* * *

And speaking of Albany Little League . . . the League lost one of its most ardent fans, when Galene Froines passed away quite suddenly earlier this month. Galene was the mother of Mrs. Ray Robertson of Albany, and grandmother of Mike, star pitcher for the Albany Moose Club's Pirates team. She never missed a game when Mike was playing, including the play-offs and tournaments. She always said if there was going to be an award given out for the grandmother who attended the most LL games, she was sure to win it. Mrs. Froines was also employed as a cashier for the Race Track Association for the past 25 years, and will be well-remembered by many who play the races at Golden Gate Fields.

EXCESSIVE SPEED

Only the foolhardy, according to the National Automobile Club, drive at an excessive speed.

What To Do Before, During And After An Earthquake

Part III of instructions from the Albany Fire Dept.: "During An Earthquake."

1. Remain calm. Think through the consequences of any action you take. Try to calm and reassure others around you.

2. If indoors, watch for falling plaster, bricks, light fixtures, and other objects. Watch out for high bookcases, china cabinets, shelves and other furniture which might slide or topple over. Stay away from windows, mirrors and chimneys. Usually it is not a good idea to run outside during an earthquake. Take refuge from falling objects by getting under a table, desk or bed; in a corner away from windows; or in a strong doorway. Encourage others to follow your example.

3. If caught in a high-rise office building, do not dash for exits. Stairways may be broken or jammed with people, and power for elevators may fail. Get under a desk for safety.

4. If in a crowded store, do not rush for a doorway, since hundreds of others may have the same idea. If you feel you must leave the building, choose your exit as carefully as possible.

5. If outside, avoid getting near high buildings, walls, power poles and other objects that could fall. If possible, move to an open area—away from all hazards. However, do not run through the streets. If caught in an automobile, stop in the safest place available, preferably in an open area.

Did you realize that every one of our pay phones (and there are over 125,000 of them in California) now has a location card? You might ask why a pay phone would need an address, but sometimes knowing exactly where you're phoning from can prove to be important—like in an emergency when you have to call an ambulance, the police or the fire department. Or when someone is coming to pick you up and wants to know where you're calling from.

Putting location cards on pay phones is just one of the things we're doing to try to make them more useful to you.

Smart shoppers know how helpful the Yellow Pages can be when you're looking for a hard-to-find item. Without leaving your home you can get information on just about any product or service imaginable.

By reading the ads in the Yellow Pages or by calling the listed telephone numbers, you can find out store hours, credit arrangements, delivery services and much more.

The next time you're looking for an item that's hard to find, check the Yellow Pages before you leave home. You'll find whatever you're looking for—fast.

Do you know about the fast way to find the phone numbers of government offices? For your convenience, the Yellow Pages have a quick reference page containing the numbers of city, county, state, and federal offices that people call most frequently. Just look in the Yellow Pages under "G" for "Government Offices."

BEAMING HAPPILY at her City Hall Retirement Tea is Mable Hansen (center), City Hall switchboard-operator clerk, who retired from the position in January. She had been an Albany city employee for 17 years. Pictured with her are two other recent retirees, Elda Foott (left), a 10-year employee in the Albany Public Works Dept., and Johnnie Grisham, a 20-year employee in the Public Works Dept., and secretary to the City Administrator.

City Employees Retire

Albany City Hall employees, both former and present, recently joined with Department Heads and a few close friends, to fete Mable Hansen on her retirement from her position as switchboard-clerk, a position she had held for the past 17 years.

Refreshments were served, including a telephone cake, specially baked and decorated by Nancy Rooney, wife of Parks and Recreation Dept. Head Bud Rooney, and a graduate of the City's Cake Decorating Class.

Mrs. Hansen also received many presents, cards and monetary gifts, as well as a resolution from the City Council, presented by Councilman George Hein. Marietta Ferreira, chairman of the event, combined the three separate orchids sent to Mrs. Hansen into one giant corsage.

The affair was also attended by Mrs. Hansen's retired husband, Bill, and her daughter, Jody Shiperd from Concord.

The Hansens plan on spending some of the immediate future in traveling and at their ranch near Woodland. As Mable says: "We'll now have time to do the things we didn't have time to do before."

Another recent City Hall retiree, Johnnie Grisham, who spent her 20 years with the City in the Public Works Dept. and as secretary to James Turner, City Administrator, was recently honored by co-workers, friends and relatives at a retirement dinner, at Kirby's. Because of limited space, all reservations were filled before a public announcement of the affair could be made, and many who wanted to attend were unable to do so.

Gifts, including a monetary token from the Albany Municipal Employees Association, were given, along with a Council resolution presented to Mrs. Grisham by Albany Mayor Hubert Call. One special gift was a lei composed of dollar bills presented by former co-worker Elda Foott.

Relatives of the honored guest in attendance included Mrs. Grisham's husband, Roland; her son, Gary; daughter and son-in-law, Mr. and Mrs. Tom Armstrong; grandchildren, Mike and Kathy Armstrong; daughter, JoniLynn Ruegg and her husband, Tom, and her sister and brother-in-law, Mr. and Mrs. Ed Hays.

The affair was also attended by friends from the many fraternal organizations Johnnie and her husband belong to.

3) She must waive liability.

4) She must be a legal resident of the state.

5) She must be able to competently ride a horse.

6) She will be judged on appearance, poise, personality, public speaking and horsemanship.

7) She may be either an amateur or professional.

8) The winner will have the perogative of competing in the Miss Rodeo California contest.

Boats Afloat

Preparations for Northern California's 3rd Annual Boat Show Afloat are now underway.

This year's show will be held Friday, Saturday and Sunday, May 12, 13 and 14, at Mariner Square, a new marine development at the foot of Webster St. on the Estuary in Alameda.

The show has the full support of the Northern California Marine Association, and will be totally water-oriented, with a large exhibit of power and sail boats of all sizes.

Additional activities will be sailboat rides and races, capsize and rescue demonstrations, water skiing, diving, and programs on water and boating safety.

As in the past, the gate proceeds will go to the Alameda Boy Scouts and Boys' Club. Donations will be $2 for adults, with children under 12 admitted free when accompanied by an adult.

FIRST CONSTITUTION

California's first constitution, according to the National Automobile Club, was adopted in 1849.

Red Cross Launches Campaign

Melvin M. Swartz has been named to head the March Red Cross appeal for members and funds in the Berkeley-Albany-Kensington area.

"In order to continue the traditional services expected of Red Cross and meet pressing new needs in the community, the Berkeley Chapter must try to double its number of contributing members this year," he stated.

Swartz pointed out that the Red Cross depends entirely on voluntary contributions to finance its services, all of which are given without charge to the public. While most of its support comes from the United Bay Area Crusade, the Red Cross' UBAC allocation falls short of meeting its requirements.

Commenting on the new directions of Red Cross programs in this area, Swartz said, "Any family who has had a man in the service or who has suffered in a disaster can tell you what the Red Cros did for them, but few people are aware of the new kinds of help it is giving in new 'disaster areas' in the community, such as inadequate child care facilities, mental illness and the needs of the aged and handicapped."

For examplt, Swartz noted that the Berkeley Red Cross in the past year had recruited and trained more than 100 volunteer teacher aides for the five Berkeley Headstart centers and is providing transportation for the children's clinic visits and weekly excursions. It is also providing swim instructors and transportation for the San Pablo Park Preschool Program at the YMCA.

In the field of mental health, Red Cross volunteers are working on a one-to-one basis with exmental patients and have set up a Creative Living Center — the only after-care facility in Berkeley — where they may go for socialization, therapy and craft activities.

"The Berkeley Red Cross is stretching its budget to the limit to fill more community needs than ever before," Swartz said. "We appeal to all Berkeley, Albany and Kensington citizens to help by becoming contributing Red Cross members in March."

The Mail Bag

Thank you, Albany:

For those interested in statistics and such, there will be a complete report of the way things went at our Fish Fry, as soon as we have put all our notes, receipts and bills into the proper order. None of us with the Albany Band Boosters wanted to wait that long to express our gratitude and appreciation for all of you who supported our Fish Fry so wholeheartedly.

To the many volunteers who donated time, help and endless energy; to the merchants who donated goods, or sold them to us at a handsome discount, our most grateful thanks. We could not have done it without you. . .

Of course, to the wonderful people who came to our Fish Fry and made it such a rousing success, a very special thanks. In fact, due to your overwhelming and enthusiastic response, we found ourselves in the terrible dilemma of having too much of a success. We thought big, estimating on and having food for 1,000 people, but as it turned out, we didn't think big enough.

It is to those patient people who waited so uncomplainingly, only to be turned away unfed when we ran out of food, that we offer our most humble apologies. Apologies are not enough to remedy the situation, we realize, and plans are already underway to alter the Fish Fry procedure to circumvent a similar embarrassment to us and inconvenience to you, in the future.

Obituaries

Galene V. Froines

Funeral services were held at Ellis-Olson Mortuary recently, for Galene V. Froines. A Requiem Mass at St. Ambrose Catholic Church in Berkeley was followed by burial in St. Joseph's Cemetery, San Pablo.

Mrs. Froines, a native of Emeryville, Calif., was a member of the Automotive Teamsters Union, Local 78 of Oakland, and had been a cashier for the Race Track Association for 25 years.

She is survived by her husband, Gunnar S. Froines of Richmond; daughter, Norma G. Robertson of Albany; step-daughter, Maria Vergnes of Walnut Creek; uncle, Rudy Merani of Richmond; son-in-law, Ray Robertson, and grandchildren, Gale, Mike and Lori Robertson.

Clifford A. Seely

A 16-year resident of Albany, Clifford Americus Seely, passed away in Berkeley. Mr. Seely was a native of Illinois, aged 74. He was a member of Thousand Oaks Baptist Church, Berkeley, White Hall Lodge 80, A.F. & A.M. of White Hall, Ill., and the Scottish Rite of Peoria, Ill.

Friends will attend last rites on Thursday, Feb. 24, at 1:30 p.m. at the Ellis-Olson Mortuary, 727 San Pablo Ave., Albany. Rev. Earl Grote will officiate, along with the Masonic Lodge.

Survivors include his wife, Margaret E. Seely; sons, Donald D. Seely of Redwood City, and David A. Seely of Kensington; also survived by seven grandchildren and two great-grandchildren.

Big Reunion

All graduates and former students of McClymonds High School in Oakland, through the class of 1936, are being sought for the Second Big Reunion, which will be held on March 4, 1972, in Goodman Hall, 10 Jack London Square, Oakland. No-host cocktails will begin at 6:30 p.m., and a sit-down dinner at 8 will be followed by dancing from 9:30 to 12:30.

Tables will be arranged by classes so that old friendships can be easily renewed.

Because of limited accommodations, tickets must be purchased in advance. Further information and reservations may be obtained from the chairman, Mrs. Eva Nesti Lalor, 18 North Hill Court, Oakland, phone 848-9033.

GIVING A SNAPPY SALUTE are members of Albany Cub Scout Pack 107, who are celebrating the 62nd birthday of the Boy Scouts of America this month. Pictured with Vista School principal, Mrs. Dorothy Irvin, during flag raising ceremonies at the school, are: (l to r) John Fox, Richard Clark, Russell Gillaspy, Michael Markert, Ty Kerr and Raymond Porter. Holding the flag in the rear is Steven Lipe.

Local Survey On Employment

A number of households in this area will be interviewed during the week of February 14 for a survey of employment and unemployment, conducted by the Bureau of Census, according to Michael Long, Director of the Bureau's Data Collection Center in Los Angeles.

This is a monthly survey conducted nationwide by the Bureau for the U.S. Department of Labor. A sample of households scientifically selected to represent a cross section of all households in the United States.

The employment and unemployment statistics which are based on results of this survey are prime indicators of the economic health of the nation. The December survey showed that 80. million persons were employed and 4.7 million unemployed. After allowance for usual seasonal patterns, both were virtually unchanged over November.

Information supplied by households participating in the survey is confidential by law and is used only to compile statistical totals.
